3. To install CASIO Picture Conversion Engine

1. Double-click “CASIO Picture Conversion Engine” or “CASIO Picture Conversion Engine.exe”.
 - This will display a dialog box for selecting the screen language.

2. Select the language you want and then click [OK].

3. Click the [Next] button.

- This will display the end user license agreement (EULA).

4. Carefully read the EULA.

5. If you agree to the terms and conditions of the license agreement, click "I accept the terms...", and then click the [Next] button.

- If you do not agree to the terms and conditions of the license agreement, click "I do not accept the terms..." and then click [Cancel] button to exit the install procedure.

6. Enter the alphanumeric key that is located on the software's Installkey sticker for "Installation Key" and then click [Next] button.

7. Perform either of the two following steps to specify the installation drive and folder.
- 7-a: If you want to use default settings, simply click the [Next] button. This is the method you normally should use.
 - 7-b: If you want to specify a different folder, click the [Change] button. Select the folder you want and then click [Next].

8. Click the [Install] button.

- This will start installation.

9. The dialog box shown below will appear when installation is complete.

10. Click the [Finish] button.

- This completes installation.

Note

- Installing the software will put a “CASIO Picture Conversion Engine” shortcut icon on your Windows desktop.

4. To uninstall CASIO Picture Conversion Engine

1. Display the Windows Control Panel.
2. Click [Add/Remove Program].
3. On the list of applications that appears, select “CASIO Picture Conversion Engine”.
4. Click the [Add/Remove] button.
 - This will display the program maintenance wizard.
5. Click the [Yes] button.
 - This completes the uninstall operation.

5. To start up CASIO Picture Conversion Engine

1. On your computer's desktop, click the "CASIO Picture Conversion Engine" icon.
 - You could also start up the application by clicking [Start] - [Program] - [CASIO] - [CASIO Picture Conversion Engine] - [CASIO Picture Conversion Engine].
